Fourth
Grade

A collage of photographs capturing various moments in a fourth-grade classroom. The images show students and teachers engaged in different activities: some are working on projects at tables, others are reading or writing, and a few are smiling for the camera. The photos are arranged in an overlapping, non-linear fashion, creating a sense of a busy, active learning environment. The subjects include both male and female students of diverse backgrounds, as well as their teachers. The overall tone is positive and educational.

Kindergarten

A collage of numerous photographs capturing various moments in a kindergarten classroom. The images show children engaged in different activities: some are painting or coloring, others are reading books, and many are interacting with each other. A teacher is also visible, interacting with the children. The photos are arranged in a dense, overlapping manner, creating a vibrant and busy scene of early childhood education.
